

RATE 180 **POOLING SERVICE**

APPLICABILITY

Pooling Service is an optional service applicable to any Pool Operator and any Transportation Customer under Rates 145, 160, or 170 that designates a Pool Operator to manage its gas supplies as part of an aggregated Customer Pool.

CHARACTER OF SERVICE

This Rate Schedule applies to the provision of Pooling Service for Transportation Customers. Pool Operator and electing Transportation Customer are subject to provisions of this Rate Schedule.

Pool Operator shall deliver to the Company gas supplies needed to satisfy the daily and monthly usage requirement of Pool Operator's Pool Customers in accordance with the requirements set forth in this Rate Schedule, Appendix E, and in the Pooling Agreement. Pooling will not be permitted across multiple operational systems unless approved in advance by the Company.

Pool Operator shall provide nominations for its aggregated Pool Customers' deliveries. For purposes of calculating daily and monthly imbalances, the usages of all Customers within a Pool will be combined into a single Pool usage total, which will be matched against the Pool Operator's total pipeline deliveries for such Pool.

Pool Operator shall be responsible for complying with Operational Flow Orders, daily and monthly balancing, and the payment of any daily and monthly imbalance Cashouts and applicable charges. Transportation Customer shall remain responsible for all charges under its applicable Rate Schedule 145, 160, or 170.

Imbalance trading provided for in Appendix E allows Pool Operator to trade imbalances to minimize otherwise applicable imbalance charges.

SUMMARY OF CHARGES

Pool Operator's Bill shall be rendered monthly, and shall consist of the following charges, as applicable:

Financial Evaluation Fee: \$49.27 for the initial and each subsequent Pool Operator financial evaluation performed by Company.

Administrative Fee: Pool Operator shall be assessed a monthly Administrative Fee of \$98.53 for each Pool.

PROVISIONS AND REQUIREMENTS FOR POOL OPERATOR PARTICIPATION

Pool Operator shall comply with the following provisions:

Contract:

Pool Operator must enter into a written Pooling Agreement with Company. Such Pooling Agreement shall set forth specific covenants and obligations undertaken by the Company and Pool Operator under this Rate Schedule on behalf of the Pool's Customers. The Pooling Agreement shall have an initial term of not less than one year and shall automatically extend for succeeding annual terms thereafter subject to cancellation by either party after written notice submitted not less than ninety days prior to the end of the initial term or any succeeding annual term.

Creditworthiness Standards and Requirements:

In order to qualify for participation under the Pooling Service, Pool Operator must pass an initial financial evaluation performed by Company, and any such subsequent evaluation(s) deemed appropriate by the Company, to ensure that Pool Operator possesses sufficient resources to perform its responsibilities and to ensure financial performance under this Rate Schedule. In addition, if the Pool Operator's participation in the Pooling Service was previously terminated due to Pool Operator's non-compliance, Pool Operator shall provide information acceptable to the Company that such cause for non-compliance has been corrected and will be avoided in the future. All prior delinquencies must be cured prior to commencing participation in the Pooling Service. Moreover, any and all charges from previous non-compliance shall be corrected prior to participation in the Pooling Service.

Pool Operator must complete and sign the Company's Pool Operator Registration Form and Credit Application to be considered for participation in the Pooling Service. A Pool Operator desiring to participate in the Pooling Service will be evaluated by the Company to establish credit levels acceptable to the Company. The Company will apply, on a non-discriminatory basis, reasonable financial standards to assess and examine a Pool Operator's creditworthiness. These standards will take into consideration the scope of the operations of each Pool Operator and the level of risk to the Company. In order to pass the Company's financial evaluation, a Pool Operator may be required to provide security, the form and amount of which shall be specified by the Company.

Financial evaluations will be based on standard credit factors such as audited financial statements and credit ratings, Pool Customers' payment histories, and other related financial information that has been independently audited, if available. The Company shall determine creditworthiness based on the above criteria and will not deny a Pool Operator's participation in the Pooling Service without reasonable cause.

RATE 180 **POOLING SERVICE**

The Company reserves the right to conduct a financial re-evaluation of Pool Operator from time to time. Such re-evaluation may be initiated either by a request from the Pool Operator, or by the Company if the Company reasonably believes that the creditworthiness of a Pool Operator may have changed or that the operating environment or other conditions may have changed that may have increased the risks posed by operations of the Pool. Based on such re-evaluation, a Pool Operator's level of participation may be increased or decreased, additional security may be required, or the Pool Operator may be removed from further participation in the Pooling Service.

Unaccounted For Gas Percentage:

To compensate for unaccounted for gas, the quantity of gas available to the Pool Customers on a daily basis shall be equal to the quantity of gas delivered into the Company's distribution system at the point of receipt by the Pool Operator for the Pool Customers, reduced by an Unaccounted For Gas Percentage as set forth in Appendix F.

Nomination and Balancing Procedures:

Pool Operator shall be subject to the Nomination and Balancing Provisions in Appendix E.
