

Small Business Energy Solutions and Multifamily Energy Solutions

2020 Program Trade Allies

To receive a no-cost energy assessment, simply contact any of these Program-approved, local contractors (Trade Allies) partnering with the program. If you choose to move forward with any identified efficiency improvements, your selected Trade Ally provides you with instant discounts on the eligible products you purchase. No waiting for a rebate check or additional forms to complete; you only pay the balance of what you owe your selected Trade Ally after the discounts.
