

LEGAL NOTICE

Notice is hereby given that on or about February 28, 2023, Southern Indiana Gas and Electric Company d/b/a CenterPoint Energy Indiana South (“CEI South”) will file a request with the Indiana Utility Regulatory Commission for approval to update its Rate CSP – Cogeneration and Small Power Production, to establish prices for the purchase of energy and capacity from owners of a qualifying facility, as defined by the Commission. The capacity component of Rate CSP will also impact the capacity charge for firm backup power under Rate BAMP (Backup, Auxiliary and Maintenance Power Services), as well as capacity credits to be paid to customers under Rider IC (Interruptible Contract Rider), Rider IO (Interruptible Option Rider), and Rider IP-2 (Interruptible Power Service Rider), as applicable.

CEI South anticipates approval of the filing in April 2023, but no sooner than 30 days after the Commission’s receipt of the Rate CSP filing. Objections to the filing should be made in writing addressed to:
